

Q14. Is there a Park that you think could be a greater asset to Ortonville if it had upgrades or was re-purposed?
Other (Please specify) : Central Park most likely could be made into a Disc Golf Course
Other (Please specify) : Pool: I know plenty of families that drive to Appleton or Madison to use their facilities because their pools are updated and have special features like a gradual entry baby pool, splash pads, etc.
Other (Please specify) : Neilson- such a great park but it isn't used often. Maybe a location for frisbee golf?
Other (Please specify) : Central Park, It is in the heart of the City, was once used for everything. Perfect example of improper usage and lack of repair
No
Other (Please specify) : Neilson
Other (Please specify) : central and neilson park
Other (Please specify) : Golf Course
Other (Please specify) : Pool and pool park
No
Other (Please specify) : Central Park - is that the park behind armory?
Other (Please specify) : Nice pools draw people from other areas, we need to upgrade our lakeside area as well to utilize our strengths.
Other (Please specify) : Pool park (repurpose as waterpark)
No
Other (Please specify) : The entire skating rink area, this could & should be a huge assett & it is sad & depressing
Other (Please specify) : Upgrade the pool.

Other (Please specify) : Riverside
Other (Please specify) : Neilson Park
Other (Please specify) : POOL!!!
Other (Please specify) : Lakeside park
Other (Please specify) : neilson park
Other (Please specify) : Neilson has great walking paths but are not kept up and neither is the equipment at the park. Central Park is not kept up and it is beautiful too!
Other (Please specify) : Shoreline from boat landing and DNR floating dock..... Clean Sandy Beach would be nice
Other (Please specify) : Pool park
No
Other (Please specify) : The pier and lakeside should be important with the lake
Other (Please specify) : Pier park
Other (Please specify) : Lakeside, walking trails
Other (Please specify) : I would dearly love to see Central Park cleaned up, repaired and maintained.
Other (Please specify) : central park
Other (Please specify) : Wells park. there is a daycare across street
Other (Please specify) : Definitely lakeside, foot of the lake, pier and beach! Big Stone Lake is Ortonville's attraction, and should be their pride.
Other (Please specify) : Neilson Park--beautiful views--maybe add horseshoe pits or some other family activity so it would get more use.
Other (Please specify) : Peninsula Park

Other (Please specify) : I love Central park I think it would be great to do activities like out door movies with the screen down in the center and people all over the hill side.. I also would like to see the ice rink available more or the information on if it is available put out more we have lived here 5 years and never known if it was open or not my kids would love to use it if I know when its available.

Other (Please specify) : Central Park

No

Other (Please specify) : Signage is an important part of knowing where someone can enjoy an outdoor lunch or time with family. Additional ammenities that include family activity might be a worthwhile upgrade.

Other (Please specify) : One near Big Stone Therapy HQ should be made into an adult/senior/handicapped exercise park with equipment. Ask Big Stone Therapy to sponsor--I bet they would.

No

Other (Please specify) : Maximizing lake access

Other (Please specify) : Neilsen Park and trail is very cool and would benefit from improvement

Other (Please specify) : Golf course could draw a lot more if some money was spent on it.

No
Other (Please specify) : Central
Other (Please specify) : Pool park
Other (Please specify) : It would be awesome to see retaining walls with poetry written on them or some kind of original structural elements of good taste added to a park to make it a designer park to draw people in, rather than settle for sod lots with playgrounds
No
No
Other (Please specify) : Under developed Central Park
Other (Please specify) : Lakeside and Central and Bike Path could be really useful in promoting events for locals and tourism.
Other (Please specify) : Lakeside
Other (Please specify) : Lakeside could be so much more.
Other (Please specify) : Possibly Wells or Northside
No

Other (Please specify) : The bike path should continue on to the refuge auto tour (paved), and there should be picnic areas along the trail.

No

No

Other (Please specify) : Neilson Park - clean up the walking path to walk from the park down to the lakeroad. Add bathroom facilities and running water. Same with Central Park.

Other (Please specify) : Central Park - Has the most city history - Corn Fest history WPA history and the oldest park in Ortonville!

Other (Please specify) : Central Park simply needs proper upkeep.

Other (Please specify) : Lakeside Park in conjunction with Cultural Center/Community Center could be improved with a connection to the existing bike trail and also the addition of walking trail the connects the other parks and sites in the city.

Other (Please specify) : Neilson like it was in the past.

No

Other (Please specify) : Central Park has excellent potential fro enhanced hiking and environmental learning

Other (Please specify) : Stop neglecting Central Park. Take existing plans further. Repurpose for amphitheater, kids in winter

Other (Please specify) : Central Park: upgrades, but not changing its original character which is its best asset
